

Hermitage Mountain Residences

The new Hermitage Mountain Residences will be opening in Winter 2017.

Located in Soldeu, Andorra at 1.850m above sea level, it's a new concept of luxury residences in the Pyrenees.

You will be able to enjoy nine luxurious residences with wonderful views to the ski slopes of Grandvalira - Soldeu, the biggest ski resort of Southern Europe, a perfect place to enjoy the Finals of the Ski World Cup 2019.

The Hermitage Mountain Residences are totally integrated in the surroundings with a building made with natural materials as stone and wood.

It features 5 floors with stunning, spacious and cosy residences from one to eight bedrooms, up to 500 sqm.

An exclusive building with all the services of a five star Leading Hotels of the World and the comfort of a private chalet.

We are happy to show you the first pictures of this fantastic project.
